**IT**

**Vederci bene e in qualunque situazione.**

Da questo semplice concetto nasce il progetto **STREET VISION** di **Top Light**. Poter guidare in sicurezza sotto una pioggia battente, come viaggiare sotto una nevicata o in mezzo alla nebbia o semplicemente in condizioni di scarsa visibilità senza dover affaticare la vista, sono solo alcuni degli obiettivi che ci poniamo quando pensiamo allo sviluppo dei nostri prodotti. **Facciamo di tutto affinché l'automobilista possa vederci bene, in marcia come in manovra e lo facciamo con ogni mezzo.**

**EN**

**See clearly, in any situation.**

**STREET VISION**, a **Top Light** project, was created from this simple concept. To be able to drive safely in the pouring rain, or travel under a snowfall or in the fog or simply in conditions of poor visibility without straining your eyes. These are just some of the objectives we set for ourselves when we think about the development of our products. **We do everything we can to ensure that motorists can see clearly, either while driving or manoeuvring, and we do it with all vehicles.**

**FR**

**Voir clairement et en toute situation.**

C'est à partir de ce simple concept qu'est né le projet **STREET VISION** de **Top Light**. Pouvoir conduire en toute sécurité sous une pluie battante, voyager sous la neige ou en plein brouillard, ou simplement dans des conditions de mauvaise visibilité sans se fatiguer la vue, sont seulement quelques-uns des objectifs que nous nous fixons lorsque nous pensons au développement de nos produits. **Nous faisons le maximum afin que l'automobiliste puisse voir clairement, en route ou lors d'une manœuvre et nous le faisons pour tout véhicule.**

**ES**

**Ver bien y en cualquier situación.**

De este simple concepto nace el proyecto **STREET VISION** de **Top Light**. Poder conducir con seguridad bajo una lluvia intensa, como viajar bajo una nevada o en medio de la niebla o simplemente en condiciones de escasa visibilidad sin cansarse la vista, son solamente algunos de los objetivos que nos proponemos cuando pensamos en el desarrollo de nuestros productos. **Hacemos de todo para que el automobilista pueda ver bien, tanto en la marcha como en una maniobra y lo hacemos con todos los medios.**

**DE**

**Gute Sicht in allen Situationen.**

Aus diesem einfachen Grundsatz entsteht das Projekt **STREET VISION** von **Top Light**. Sichere Fahrt ebenso bei strömendem Regen wie bei Schneefall, im Nebel oder einfach unter schlechten Sichtverhältnissen ohne die Augen anzustrengen, sind einige der Ziele, die wir uns gesetzt haben, als wir an die Entwicklung unserer Produkte dachten. **Wir tun alles, damit Autofahrer eine gute Sicht haben sowohl bei der Fahrt als auch beim Manövrieren und wir tun es mit allen Mitteln.**

**RU**

**Видеть ясно в любой ситуации.**

Из этой простой концепции родился проект **STREET VISION** от **Top Light**. Ездить на машине под проливным дождем или в снегопад и туман или просто в условиях плохой видимости, не напрягая глаза - вот лишь некоторые из целей, которые мы ставим перед собой при разработке нашей продукции. **Мы делаем все возможное, чтобы гарантировать автомобилисту предельную видимость во время вождения или выполнения маневров и мы делаем это всеми доступными средствами.**

**PL**

**Widzieć dobrze i w ka dej sytuacji.**

Z tej prostej koncepcji zrodził się projekt **STREET VISION** firmy **Top Light**. Możliwość bezpieczniejszej jazdy w ulewnym deszczu, podróżowanie przy padającym śniegu lub we mgle lub po prostu w warunkach słabej widoczności bez męczenia oczu, to tylko niektóre z celów, jakie stawiamy sobie, myśląc o rozwoju naszych produktów. **Staramy si na wszelkie sposoby, aby kierowca mógł dobrze widzieć, zarówno podczas jazdy, jak i podczas manewrów.**

**GR**

**Για να βλέπουμε καλά, κάτω από οποιοσδήποτε συνθήκες.**

Από αυτήν την απλή ιδέα γεννιέται το σχέδιο **STREET VISION** της **Top Light**. Να μπορούμε να οδηγούμε με ασφάλεια μέσα στην καταρρακτώδη βροχή, να ταξιδεύουμε μέσα στη χιονοθύελλα ή την ομίχλη, ή απλώς σε συνθήκες χαμηλής ορατότητας χωρίς να κουράζουμε τα μάτια μας, αυτός είναι ο στόχος μας όταν σχεδιάζουμε τα προϊόντα μας. **Κάνουμε τα πάντα για να μπορεί να βλέπει καλά ο οδηγός, στην πορεία αλλά και στους ελιγμούς, και χρησιμοποιούμε όλα τα μέσα για να το πετύχουμε.**
